Tom:

The Session continues to request Sarah and your presence tonight at 8PM. We have only requested to meet with you, and not the presence of the persons from our congregation who you have named to accompany you.

BOCO 31-2. It is the duty of all church Sessions and Presbyteries to exercise care over those subject to their authority. They shall with due diligence and great discretion demand from such persons satisfactory explanations concerning reports affecting their Christian character.

We look forward to seeing you.

Yours in Christ,

Jim Sauer,
Clerk of Session
