THE SESSION HAS MOVED TO MAKE THOSE PROVISIONAL DECISIONS EFFECTIVE IMMEDIATELY, WE WILL BE COMMUNICATING THESE FACTS TO THE CONGREGATION.

JAMES SAUER,
CLERK OF SESSION, IPC

To: James Sauer, Clerk of Session

CC: IPC Session

Jim,

I do hope that Session makes this announcement to the congregation soon -- preferably even this Sunday.

Presently, I am in a very awkward position since I'm mysteriously not following up in the middle of a busy time with the Meals Ministry, announcing a Great Godly Girls schedule for Fall, or arranging for the upcoming WIC Committee Meeting to take place.

This needs explanation from the leadership making this ruling -- not from me.

Though I strongly disagree with Session, I am not afraid of these decisions. These ministries are not mine, but the Lord's.

For my records, I request a copy of the minutes from the Session meeting where the decision to make my removal from participating in the ministries of IPC "effective immediately."
